Covid 19 Edition 27th October

THE WOODPECKER

BACK TO BACK / 3 PREMIERSHIPS IN 4 YEARS

One bright spot in the 2020 COVID lockdown is the AFL was able to occupy our television screens and provide an interest other than woodworking. As editor of the "WoodPecker" I am able to make the Tigers victory the lead story in this newsletter. The two best teams in the AFL this year competed in one of the toughest & tense grand finals in many years. Both teams had a red hot crack & both had opportunities to win. The biggest difference between the 2 teams was Dustin Martin

Congratulations Richmond.
