

# THE WOODPECKER

## Planning for WoSP Opening

Currently the committee is planning to tentatively open on the Monday 9<sup>th</sup> November.

Naturally all the plans are dependent on the confirmation of the state government.

When the workshop does open the club's attendance procedures need to be COVID 19 safe.

Expected procedures are:

- Signing in will include the addition of adding your contact phone number & having your temperature taken. Members with temperatures above 36<sup>0</sup> will be advised to seek medical assistance. Members will also need to sign out.
- Masks will need to be worn
- The number of members in attendance is unclear. It could be either 10 or 20 but we believe this will be clarified in the near future.

For those needing to complete projects the committee has agreed to extend the closing date to 24<sup>th</sup> December 2020 & re-open 5<sup>th</sup> January 2021

Sessions will be:

Monday	1.00pm – 4.00pm	Ron Higgins / John Feeley
Tuesday	9.00am – 12.00pm	Brian Jones
Tuesday	1.00pm – 4.00pm	Gaven Davis
Wednesday	Set aside for making toys	
Thursday	9.00am – 12.00pm	Rod Bew
Thursday	1.00pm – 4.00pm	Rob Oram
Friday	9.00am – 12.00pm	Greg Knox
Friday	1.00pm – 4.00pm	Tony Haigh
Saturday	9.00am – 12.00pm	Colin Dobson

## Snippets & Offcuts

The committee is conducting a working bee on Monday 2nd November to ensure the workshop is ready for opening.

During the lockdown Dennis Connor made an honour board for Southern Peninsula Basketball. It was much appreciated by SPB.

Many members of the toy team have been making toys over the lockdown period. So despite the lock down 400-500 will be available for distribution on the 28<sup>th</sup> November. As soon as the club opens the toys will be painted in readiness for distribution.
