Nine straight double donut days is a great result for Victoria.

At 10.15am 08 November 2020 the Premier advised that from 11:59pm tonight the restrictions released and stated allowable numbers & activities for a variety of venues.

Note:

AGM Wed 25th Nov
Members must all be paid up before attending sessions.

In evaluating WoSP's position to open its workshop the following information has been extracted from the Premier's website <https://www.premier.vic.gov.au/statement-premier-81>. (Refer to 08 November 2020 "Statement From The Premier

- From tonight, and across the state, indoor entertainment venues will be able to open with 20 people per space.
- That means movie theatres, galleries, museums and music halls will now be able to open.
- Gyms and indoor sporting facilities can open with up to 20 – subject to strict density limits.
- Community spaces like libraries or RSLs and neighbourhood houses can have up to 20 indoors, with groups of up to ten.

Consequently on Monday 9th November John Bayliss will seek confirmation from council that WoSP can open its doors from Tuesday 10th November allowing 20 members to use the workshop. The club's workspace is 380 square metres. This averages 19 square metres for each of the 20 members.
